Disaster Preparedness

DISASTER RESPONSE FORCE

This regulation describes those teams necessary to control recovery operations during disaster situations. It further establishes the input the 1130th ATTG will have to these items.

1. Policy. The 1130th ATTG will provide inputs to Base Disaster Preparedness Teams only with the Commander's approval. Available manpower resources will be a primary consideration.

2. Responsibility.

a. The Commander shall appoint 1130th members to base teams and direct the formation of unit teams as necessary.

b. The Disaster Preparedness Officer will advise and assist the Commander.

c. The Base Disaster Control Office is responsible for organizing the Base Disaster Response Force which will also service ATTG during actual Nuclear, Biological, or Chemical emergencies.

3. Procedures. The Disaster Preparedness Teams described below will be furnished from the Base Disaster Response Force or appointed by the Commander, ATTG, as appropriate.

a. The Fallout Shelter Management Team is provided by the unit exercising shelter authority.

(1) ATTG will be sheltered in Bldg. 3804, Main Base. Logistics has administrative responsibility for this shelter.

b. An Equipment Decontamination Team will be drawn as needed from the Base Disaster Response Force with the appropriate equipment as indicated in AFM 355-1.
